P269 Splendor

Wow. This lady looks FINE! in pink!

I love her matching velvet panties. In fact, every inch of her seems like velvet.

I bet I spy something most of you will miss. Barely visible, there's a second empty wine glass behind the "mike" in his indicia; she's clearly been expecting you.

Catherine's eyes are totally mesmerizing, wicked-dark and boring a hole right into the lens.

Also notice the dainty raised pinkie. And her breasts! They look as if designed personally by the God of Sex.

I wonder now, is there ANY tableau from which Mike and his models can NOT milk every. last. drip. of devastating feminine power? Just remarkable.
